23rd June 2021

Dear Parents/Guardians,

Your son has reached an important milestone in his academic career. A number of subject choices for Form 4 are at his disposal. We urge you, the parent, together with your son to carefully consider his selection of subjects, as it will set the path towards his future.

Factors such as: academic record, attendance, punctuality and conduct are considered when assigning subjects to students.

The number of subjects offered for the academic year 2020/2021 totals eight (8), Grouped in three sections:

Core Subjects: consists of three (3) compulsory subjects:

- English Language
- Mathematics
- Spanish

Natural Science and Business consists of six subjects from which students must choose three (3):

- Chemistry or Economics
- Biology or Principles of Business
- Physics or Principles of Accounts

Humanities, Applied and Social Science consists of eight subjects from which students must choose two (2):

- History, Physical Education, Geography or Additional Mathematics
- Literature, Information Technology, Technical Drawing, Geography or Additional Mathematics.

There are two separate classes for Additional Mathematics and Geography, you may only select these subjects once.

Please complete the form as guided. Each section must be completed before advancing to the next. Select the three compulsory subjects under Core Subjects then you can continue to make your other selections.

Yours in Education,

Terence Baptiste
Form 3 Dean (Ag.)
