

Presentation College Chaguanas School Library  
Media Centre

Thursday 3<sup>rd</sup> July, 2025

Dear parents/guardians,

The library staff at Presentation College Chaguanas (PCC) would like to warmly welcome you and your son/s to the most prestigious male secondary institution in central. As we continue to build their literacy skills, we would like to encourage those who do not currently have a National Library card to register for one using the link below:

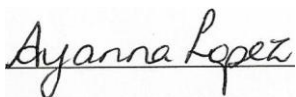

<https://www.nalis.gov.tt/blog/patron-online-registration-parent-or-guardian-registering-one-child/>

Copies of documents required to join the library should be brought into the library at the start of the new school term to complete the registration process. Once this is completed the library staff will collect cards from the public library and distribute them to students. Please note that all information collected will remain confidential and be used only for the purpose of registering your son/s.

Additionally, the library is continuously expanding its print collection and is kindly asking each incoming student to donate at least one suitable novel to the library. Donated books could be new or gently used.

Thank you for your support in building your child/children's literacy skills.

Regards,

AYANNA LOPEZ

Librarian
