Dear Parents/Guardians,

We are aware that there are some anxieties about your son's promotion to Form 4 as we draw closer to the end of the academic year. Indeed, this has been a tumultuous academic year for us all, so we do understand.

Promotion exercise to Form 4 will begin on June 21st using an online Google form. Since there will be no NCSE exams this year, normal teaching sessions will continue until the beginning of End of Term Exams. Consequently, all academic records including this final term's mark will be considered when determining which subjects your son can pursue in Form 4. It is therefore imperative that he is kept focused on the term's work ahead so that he can perform at his best.

Yours in Education,

Terence Baptiste

Form 3 Dean (Ag.)
