Dear Parents or Guardian of Form 6,

Now that we have completed the formalities of Orientation and Registration, we would like to take this opportunity to kindly ask you to support the College in its various infrastructural upgrades as well as ensuring that we continue to have round the clock security of the premises.

To this end we have attached the accompanying [registration contribution](#) which can be printed and dropped off at the College with your contribution. We are well aware of the financial constraints that some families are now facing, so whatever you can afford will go a long way.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read 'Brian Seemungal', is written in a cursive style.
