July 1st 2022

Dear Parents/Guardians,

The Parent Teachers Advisory Body (PTAB) congratulates your sons on their hard work and effort in attaining placement at Presentation College Chaguanas (PCC). We look forward to them and by extension yourselves, having the best of experiences during the upcoming years as they develop and grow into young adults.

PTAB's primary mandate is to enhance the educational experience of the student body through many avenues such as support for college clubs, academic and social pursuits, infrastructural projects, substitute Teachers and as well continuously searching for ways to improve the system by working closely with all Stakeholders. We are led by an elected Executive whose tenure is a two-year term of office, and who are all Parent volunteers, not Teachers or administration.

As Parents to a current Student, you are automatically inducted into our membership and are eligible to vote in the upcoming elections scheduled for October 2022. You are also entitled to join any of our sub-committees or volunteer for our planned events, in helping us achieve our goals. Your involvement and presence are important to your sons' progress, and to the continued success of the college. Presentation College Chaguanas is a denominational school, thereby limited Government assistance, therefore fundraising is essential.

Our Parents' network is the communication cornerstone between Administration, Parents, the Alumni and Friends of the College, and you will soon be added to one of our Class Group chats, where communicate is shared via chosen Representatives, to keep you informed and up-to-date. All we ask is that you be respectful in your comments, and to genuinely attempt to understand opposing views, remembering that at the heart of our country, we are a diverse society, a 'callaloo'.

Again, welcome and I look forward to meeting you all on registration day..

Sincerely,

Ian Edwards (Mr.) - President
