OPPORTUNITIES IN
SCHOOL AND IN LIFE...***

SPORTS & CULTURE COMMITTEE

Our Mission:

- To develop and promote sportsmanship, teamwork and camaraderie of our boys, through the spirit of competition, discipline, and fair play, within a safe and positive environment and
- To encourage respect, understanding and appreciation for the richness of our multi-cultural heritage.

Our Objectives:

- To encourage and utilize parents to play a supportive and active role during activities.
- To develop in our students an understanding of the importance of sport in the pursuit of a healthy and active lifestyle both at the College and beyond.
- To ensure all students are given the opportunity to participate fully in the competitive, recreational and leisure opportunities of sports within and outside the school environment.
- To support school events and activities which celebrate our ethnic, religious and cultural diversity.

EDUCATION COMMITTEE

Our Mission:

- To collaborate with all stakeholders in an attempt to ensure all necessary teaching resources are available to the students and staff of the College to promote the successful implementation of the curriculum and the holistic development of the students.

Our Objectives:

- To encourage open discussion with stakeholder groups (Students' Council, TTUTA representatives, administration, parents) to determine and address challenges and obstacles to the efficient delivery of the curriculum.
- To assist in the provision of resources to students who require support e.g. the provision of textbooks and tutoring.
- To provide support for teacher training recommended and approved by the College's administration eg: in the use of ICT in teaching/learning and professional development.
- To act as a support group for parents sharing experiences and answers regarding teaching, events, curriculum, teaching tools or any issue of concern to parents.

STAKEHOLDER ENGAGEMENT COMMITTEE

Our Mission:

- **To realize the full potential of all students through collaboration, and engagement of all stakeholders, conducting outreach, leveraging volunteerism amongst students, parents, staff, alumni and other supportive community partners**

Our Objectives:

- To leverage volunteer power
- To plan and implement outreach activities
- To provide access to information for parents and students
- To provide multiple communication systems
- To provide a forum in which issues are identified and addressed
- To engage in partnerships with like-minded community/locally-based groups
- To sustain parent and teacher involvement

FUND-RAISING COMMITTEE

Our Mission:

- **To protect, improve, and promote the well-being of our students at the College by employing the collaborative efforts of all stakeholders in the community.**

Our Objectives:

- To restore, renovate, update and expand the physical facilities of the College to accommodate its projected programs.
- To implement a program of organizational growth and development and increase parent attendance at school functions.
- To develop and implement a long-range public relations plan designed to increase awareness of activities and programs within the College and to the wider community.
- To engage in well planned and executed fund raising activities for the sole benefit of the College aimed at enhancing the school experience of all its students.
- To increase awareness of and support for our students at local, national, and global programs.
- To develop opportunities for continued partnerships within the College and the extended community.

HEALTH, SAFETY & WELLNESS COMMITTEE

Our Mission:

- **To advocate health, safety and wellness and so ensure that all students have healthy bodies and minds through sequential health education, appropriate health practices, diagnosis or early detection and modelling of good health behaviours.**

Our Objectives:

- To establish a School Health Committee comprising representatives of the school community, including parents, students, members of the parent teachers' executive, school administrators and teachers.
- To ensure the optimum nutritional quality of foods and beverages sold and served at the College.
- To integrate physical activity into our classrooms and so ensure our students fully embrace regular physical activity as a personal behaviour beyond physical education class.
- To provide health lectures/screenings in several areas of health and wellness eg: fatigue testing, vision testing with parental consent.
- To provide training in safety drills and disaster preparedness incorporating national agencies.
- To provide education and support to parents by organising healthy eating seminars, home nutrition information, posting nutrition tips on social websites, and providing nutrient analyses of school menus.
