Dear Parents/Guardians,

The Presentation College Chaguanas PTA would like to congratulate you and your sons on becoming part of the jewel of Central, Presentation College Chaguanas, a school filled with talented, caring Teachers and Staff, and an active Parent Teachers Association. We know that the start of a new school can be challenging, but we stand ready to assist you and your sons in the transition.

PTAB is a volunteer group dedicated to enhancing the educational experience of our students by coordinating volunteers and other resources in support of your sons' school clubs, academic and social pursuits, as well as contributing to stipends for substitute teachers and infrastructural projects. Presentation College is a denominational school, so there is limited assistance from the Government, therefore fundraising and volunteerism are the essential instruments by which we achieve our goals.

Our Parents' network is a major cornerstone that supports online learning and PCC family assistance, through effective communication with Parents, Teachers, the Alumni and other Stakeholders. You will soon be part of our Class Group chats, where communication is shared via chosen Representatives, to keep you informed and up-to-date. All we ask is that you be respectful in your comments, and to genuinely attempt to understand opposing views, remember, we are to the 'bone', a diverse society.

We urge you to consider joining any of our many sub-committees or volunteer your services to our planned events. Your involvement and presence are important to your child's progress, and to the continued success of Presentation College Chaguanas.

Welcome to Presentation College Chaguanas.

Sincerely,

Ian Edwards (Mr.) - President
